CHILDREN'S DAY CELEBRATION

Every year, Avantikulam celebrates Children's Day with the students we mentor – not just as a festival, but as a moment to uplift and encourage young minds.

On this occasion, we:

- Organize interactive sessions, games, and motivational talks
- Distribute free study material, including notebooks, pens, and exam kits

AVANTIKULAM EDUCATION

PRE EXAM TEST SERIES

Avantikulam conducts regular test series for students before their board and competitive exams. These tests are designed to:

- Simulate real exam patterns
- Improve time management and accuracy
- Identify weak areas for targeted revision

Our test series boosts student confidence and ensures they are well-prepared for final exams like JEE, NEET, and Class 12 boards.

CAREER GUIDANCE

Our Avantikulam team organized a Career Guidance Workshop for students of Class 9th, 10th, and Higher Secondary, focusing on stream selection and the wide range of career opportunities in each field.

The session aimed to provide clarity and direction to students at a crucial stage in their academic journey. We explained the importance of aligning interests with career choices and highlighted diverse paths in Science, Commerce, and Arts.

Interactive discussions and real-life examples helped students gain valuable insights. The session was well-received and sparked curiosity among participants about their future career possibilities.

MANIT TRIBAL HOSTEL PROGRAM

The MANIT Tribal Hostel Program is one of Avantikulam's most impactful initiatives, focused on providing full-time residential academic support to students from tribal and underserved regions.

In this program, we have:

- Selected tribal students from nearby towns and villages
- Provided them free accommodation and food at the Inspire Hostel, MANIT Bhopal
- Ensured access to online learning resources, books, and study material
- Conducted regular classes, doubt-solving sessions, and personal mentorship

This program reflects our mission to nurture talent from the grassroots and create real, measurable impact. By taking full responsibility for their living, learning, and guidance, Avantikulam is empowering these students to pursue quality education in a stable and supportive environment.

OUR FUTURE PLAN

- Expand Tribal Hostel Program to support 30 students per year with full residential and academic support.
- Add more government schools under our offline teaching initiative.
- Host a college-level event at MANIT for school students – including quiz, art competitions, and career guidance sessions.

पुस्तक में भारतीय संस्कृति एवं धरोहर की खूबियों को प्रस्तुत करने का विचार प्रशंसनीय है। निश्चित ही यह पुस्तक बच्चों को नैतिकता, निःस्वार्थ भाव से कार्य करने और धर्म का पालन करने का महत्वपूर्ण संदेश देगी। मुझे पूर्ण विश्वास है कि यह पुस्तक न केवल बच्चों के लिए बल्कि अभिभावकों और शिक्षकों के लिए भी अत्यंत उपयोगी सिद्ध होगी। इस प्रकार का योगदान समाज में नैतिक और सामाजिक मूल्यों को मजबूत नींव प्रदान करता है।

अवंतिकुलम टीम को आध्यात्मिक शिक्षा और युवाओं के चरित्र विकास में निरंतर समर्पण के साथ कार्य करने के लिए हार्दिक बधाई। आपके सराहनीय कार्य के लिए मेरी अपनी ओर से हार्दिक शुभकामनाएं।

WORDS OF APPRECIATION

SHASHIKANT SIR

Avanthikulam Society started with a simple intention – to be the support we wish we had during our own journey. Especially during exams like JEE, students often feel lost or alone, and not everyone has someone to guide them.

This initiative was born from that gap. We wanted to create a space where students could reach out without hesitation and find honest mentorship, clarity, and encouragement – not just notes and advice. Over time, it's grown into something meaningful. Every student we've helped reminds us why we started. And every message of thanks pushes us to keep going.

We're still learning, still growing – but always committed to making a real difference, one student at a time.

– Founder, Avanthikulam Society

अवन्तिकुलम् क्लब के छात्र न केवल अपनी पढ़ाई में उत्कृष्ट प्रदर्शन कर रहे हैं, बल्कि समाज को जागरूक, शिक्षित और सशक्त बनाने के कार्य में भी सक्रिय रूप से योगदान दे रहे हैं। इन छात्रों द्वारा विभिन्न विद्यालयों में जाकर NIT, IIT जैसे प्रतिष्ठित संस्थानों की तैयारी कर रहे विद्यार्थियों को मार्गदर्शन देना एक प्रेरणादायक और सराहनीय पहल है। वे बच्चों को गणित और विज्ञान की शिक्षा के साथ-साथ आत्मविश्वास, अनुशासन और आगे बढ़ने की सोच भी दे रहे हैं।

हम मानते हैं कि शिक्षा केवल ज्ञान नहीं, बल्कि आत्मनिर्भरता और सपनों तक पहुँचने का माध्यम है। इन युवाओं की निष्ठा और समाज सेवा की भावना हमारे देश की असली पूँजी है, और हम इस पर गर्व करते हैं।

A project launched with the aim to provide free education to the underprivileged students turned into a vision to achieve academic excellence and inculcate moral values among students. The project is named 'Avantiikulam', inspired by the name of an ancient site of Ujjain (Avanti).

This is an initiative started by the students of Inspire club of NIT Bhopal where

they provided free online coaching facilities to students who are aspiring to study in prestigious engi-

neering and medical colleges but lack these facilities due to financial conditions, says

Director MANIT about Avantiikulam

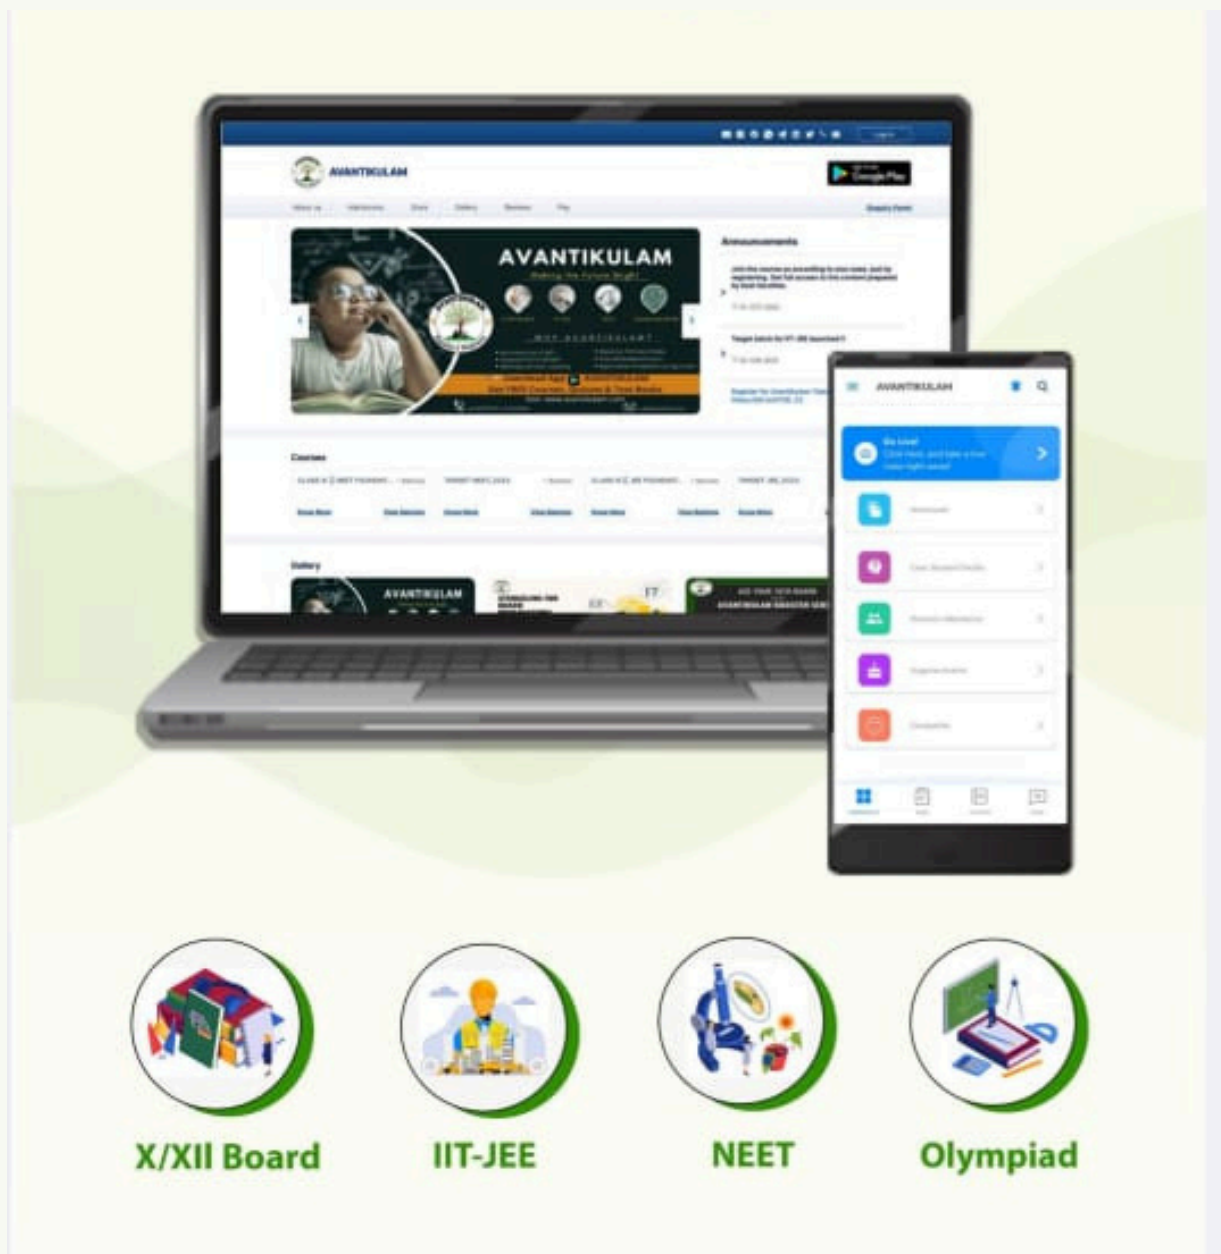

Being in a transport of delight, I would like to express heartfelt appreciation to our INSPIRE club. Inspire is not only imbining the values and culture among themselves but also working to make others aware of the same. Need of hour is being catered by them. To list some contributions; the team is providing free education to all via indigenous Virtual Platform "Avantiikulam" especially in this current era when imparting education has been turned into merely a business rather than a service. It's a ray of hope and relief for all classes of society. The Team is providing quality content through video lectures, animated videos, notes, books and other resources. Not only this but each student is being guided personally by expert mentors through their mentorship program. In the days to come, Team is going to reach out to the most deprived section of society residing in slums, tribal areas and other backward areas as envisaged in their vision, mission & objectives. Along with academic education the team also strives to impart Vedic wisdom to one and all and shape the future of society. I assure all the Success to Team Avantiikulam for their tangible efforts to act as a beacon of society.
